Expected Call to Supply the Army
Feit On Chicago 'Change.

Chicago, April 21.—Provisions, not grain, led the way today on 'change. The excellent cash demand for hog products and the expected call supply in the army and navy influenced speculators to load up with pork, lard and short ribs. Oauside buying orders were more numerous than at any time since 18%. At the end, pork showed an advance of fic per barrel, Lard and ribs gained 214fff cents each.

July pork opened 36 higher, but the advance met with miscellaneous selling, and prices sharply declined.

At inside figures, however, the urgent demand prevailed and as offerings were moedrate, there was considerable competition for thm, resulting in a 'Tunaway market,' and a sharp advance in prices for all descriptione.

Shorts bought freely. Lard and ribs advanced proportionately to that of pork, all chosing at about top prices.

There was a revulsion of feeling today at the opening anong wheat traders from the extreme bearishness that prevailed in the last hour of yesterfluy's session. It did not last long after the opening, and was succeeded by a free thesim of weakness. The strength at the start was partly the result of discovering the ridicular and the last hour of yesterfluy's feesion.

The strength at a market was again higher. The reaction that fellowed the opening bulge was the principle of the prevailing sentiment among the local heavy operators that wheat is very much too high in view of the fine prospect for next history. Felt On Chicago 'Change.
